

How to enroll in Text Banking

It's easy to enroll for FSB&T Text Banking!

- > Login to Online Banking, choose Profile on the top menu bar, then Mobile Banking and choose Enroll and accept the Terms and Conditions.
- > Select the accounts you would like to access via your mobile device(s) by checking the appropriate boxes. If you plan to use text banking, enter a nickname for that account
- > Enter your mobile phone number with area code
- > Decide if you want Text Banking and/or the Mobile Web Browser – feel free to use both
- > For each service you select, you will receive a text with activation instructions. Simply follow the specific directions and upon completion, you'll have immediate access to your account(s)

You must be enrolled in Online Banking in order to enroll in text banking.
