PopMoney® Information

Sending Money

> To send money, log-in Online Banking. Press the BillPay tab and choose PopMoney
> Send money using the recipient's name and email address, mobile number or checking/savings account information
> You will be notified when the transaction is completed
> If your recipient's financial institution is in the PopMoney network, they can complete the transaction from their own online banking. If not, they will go to Popmoney.com to pick up the funds and direct the funds to their bank account.

Receiving Money

> You will receive an email or text message telling you someone sent you money
> To send money, log-in Online Banking. Press the BillPay tab and choose PopMoney and direct the funds to your account
> Money sent to a specified bank account will be automatically deposited there

Fees for PopMoney

> Send Money - 3 day Free
> Send Money - Next day $1.50
> Request Money In – 3 day Free
> Electronic Greeting Card - $0.50
